RE: Covert Civil Rights, Christian Cult Conspiracy:

Dear Director Fedarcy:

This email communication is a follow-up to my two letters, and supporting enclosures, dated February 16, 2012, and another letter on the matter herein from New Jersey County. Yes, I was bold in the expressions of the truth. If a New York City, Bronx County Probation Officer (Robert Adams), can be bold and tell me to "suck his dick" to negate a positive drug test, than I can be bold in expressing the truth (s). In-addition, for Probation General Counsel Gayle Davis, to invite two of her cult sisters, or alleged lesbian lovers, to witness my sentencing is an expression of "African-American" Christian females manifested hate.

The attachment interview that was recorded in 2004, upon my release, from State Custody, where they made many attempts to kill me. This interview was conducted by a concern Jewish Human Rights Urban Justice, Activist (Emily Alpert), who was totally shocked at the "evil" behavior of "African-American" Christians in government, males and females of my ethnicity, and some members from the Hispanic community as well, was a part of this covert cult or occult conspiracy.

Case in point Mid-State Correctional Facility (MSCF) Officer, M. Rivera, made a false claim that I had Nation of Islam contraband, in order to place me in the "box", to remove fraudulent Certified mail Cards, from my personal property. It is appalling, to imprison a person, and commit federal crimes against that person, and torture that human being, and this is what they did. The first attempt to kill me was while in the City Jail, an "African-American" female Correctional Officer, called me out of my name, seeking a negative response from me. But, I was wiser then the devil agent, if I may be bold in the truth. There was officers standing by to enter the law library to beat me down to death.

As, a result of the actions of the government, I studied the lie about "9/11", and will forward that truth to you, and my letter of 2/16/12. This email was inspired by New York City Probation Department, David Vogue, ET AL, Bronx County District Attorney office (Ms. Terry) and "Chris" from the Bronx, here is his number; 347 805-4411, and I have the text message I send to him on October 1, 2011, it was an orchestrated crime, like in 1998. This is what the cult do, when you don't submit to them or there sexual request, or interest in "Black" females. I know my people "evil" acts very well, or psychopathic behavior, and am not! afraid to speak out against them.

Thank You,

"For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms" {"Holy Bible, Ephesians: 6: 12}.

Dear Mr. Thomas:

I am in receipt of your letter, dated March 28, 2012, with regards to my complaint and supporting revelations of truth. First, I thank you for your response, and the above biblical verse is applicable, respectfully.

All persons are by nature free and independent, and have certain natural and unalienable rights, among which are those of enjoying and ***defending life and liberty***, of acquiring, possessing, and protecting property, and of pursuing and obtaining safety and happiness. The U.S. Constitutional Permeable is pertinent, as well, to the matter stated above.

Sir, with all due respect, as a faith and truth activist, and standing on the foundation of the creator of the *Universe, Sun, Moon, and stars*, complainant's was conscious of your agency's response, before receiving it. The sole objection was to document, government violations and ineffectual of professionalism, or lack thereof, respectfully writing, the matter was the result of Chase Bank Manager, and "Chris", et al

This **government torture victim** is well known before the government, and at all levels. 2005 or 06, a State of New York Parole Official stated to me, that he didn't see any cause of action, in his response, on behalf of the governor. And, he was unable to response intelligently, when I responded back with **actual facts and law**; if the governor was not able to address this man on truth and violations, what made an alleged homosexual (Rosa) think that he would be able to respond to issues or me. In addition, this Muslim had a federal Judicial Officer, state in his **satanic decision, respectfully**, that he didn't understand my *civil rights claim*, where State Officials utilized a false charge to deny this former prisoner liberty, and that document was attached for your review. In another matter, I contacted a federal judicial official on "9/11", and in that communication "we" attached exhibits to substantiate the truth therein.

And, got no response, this lack of professionalism and responses devalue intelligent'. On page 43, of the "Depth of Evil" forwarded to the FBI, it is stated; "banking, business, polities, media, intelligence agencies", is all part of the "Depth of Evil" criminal operation, or "New World Order". I thank you once again for acknowledging the correspondence, and welcome your advice.

**Justice Department Issues Letter Regarding Illegal
Exclusion of Individuals with HIV/AIDS from
Occupational Training and State Licensing**

WASHINGTON – The Justice Department has issued letters to the attorneys general of all 50 states, as well as U.S. territories to request their assistance in addressing the illegal exclusion of individuals with HIV/AIDS from occupational training and state licensing. Persons with HIV and persons with AIDS are covered by the Americans with Disabilities Act (ADA), which gives federal civil rights protections to persons with disabilities in public accommodations, employment, and state and local government services.

The Justice Department has learned that public and private trade schools for barbering, cosmetology, massage therapy, home health care work and other occupations, as well as state licensing agencies, may be illegally denying individuals with HIV/AIDS admission to trade schools and/or occupational licenses because of their HIV status. However, because HIV cannot be transmitted by casual contact or by the circumstances present in these occupations, HIV-positive status is irrelevant.

In his letter to the attorneys general, Assistant Attorney General for the Civil Rights Division Thomas E. Perez asked that they review their respective jurisdictions' admission and licensing criteria for trade schools and licensing agencies to identify the existence of any criteria that unlawfully exclude or discriminate against persons with HIV/AIDS, and to take the steps necessary to bring all such programs into compliance with the ADA.

"It is critical that we continue to work to eradicate discriminatory and stigmatizing treatment towards individuals with HIV based on unfounded fears and stereotypes," Assistant Attorney General Perez said. "The ADA clearly protects individuals with HIV and other disabilities from this kind of exclusion or marginalization."

The department recently entered into a settlement agreement with Modern Hairstyling Institute Inc., a private cosmetology school in Bayamón, Puerto Rico, for delaying the admission of an HIV-positive individual. That settlement agreement requires the school to remove questions about applicants' HIV/AIDS status and to promptly enroll the aggrieved individual in its cosmetology program. The department has also addressed related issues in its guidance entitled "Questions and Answers: The Americans with Disabilities Act and the Rights of Persons with HIV/AIDS to Obtain Occupational Training and State Licensing" (www.ada.gov/qahivaida_license.htm).

Illuminati Defector Details Pervasive Conspiracy

Satanic Cult Plans 'Fourth Reich'

By Henry Makow, Ph.D
10-14-2

If you detect the devil's hand in current events, you may be closer to the truth than you think.

A woman who was raised in the Illuminati cult describes a powerful secret organization comprising 1% of the U.S. population that has infiltrated all social institutions and is covertly preparing a military takeover. Her revelations cast "the war on terror" and "homeland security" in a new light.

"Svali" is the pseudonym of a woman, age 45, who was a mind "programmer" for the cult until 1996. She was the sixth head trainer in the San Diego branch and had 30 trainers reporting to her. She has risked her life to warn humanity of the Illuminati's covert power and agenda.

Prince William gives familiar Satanic signal

She describes a sadistic Satanic cult led by the richest and most powerful people in the world. It is largely homosexual and pedophile, practices animal sacrifice and ritual murder. It works "hand in glove" with the CIA and Freemasonry. It is Aryan supremacist (German is spoken at the top) but welcomes Jewish apostates. It controls the world traffic in drugs, guns, pornography and prostitution. (http://www.suite101.com/article.cfm/ritual_abuse/40931) It may be behind political assassination, and "terrorism," including Sept. 11, the Maryland sniper and the Bali bomb blast.

It has infiltrated government on a local, state and national level; education and financial institutions; religion and the media. Based in Europe, it plans a "world order" that will make its earlier attempts, Nazism and Communism, look like picnics. One other detail: these people are not very happy.
